## Pins and Patches Member Records

These guidelines have been created to assist Leaders with understanding the criteria for each earned pin or patch. Each year you should receive from the 4H Coordinator a list of your previous year's club earnings of pins and patches. This form you should fill out at the end of the 4H year and submit it to the Contest and Awards Committee at the September Leaders council meeting. The pins and patches will then be given to your club at Achievement night.

### Member Year pin
