#### Learning Goals

- I can learn about and be inspired by my classmates.
- I can share my experience with others to encourage action.
- I can adapt/change actions going forward, based on assessment of my current practices.
- I can approach communication from unexpected angles (get creative).
- I can put myself in others' shoes (practice empathy).
- I can put what I've learned into a persuasive story, both verbally and in writing.
- I know steps to begin/engage in activities that support my learning.
- I can summarize my learning.

#### Notes:

**My biggest takeaway is:**

**Going forward, I would like to work on the following (outreach projects, individual project, personal goals, etc.):**
