

Worm Bin Class

Calispel Valley Library

May 18th 10:00 AM

Master Gardeners from WSU/Pend Oreille County Extension and Calispel Valley Library have joined together to present a free class on making worm bins. A worm composting bin is easy to maintain and designed to be used inside

First 15 people to sign up will receive the materials free of charge, thanks to the Calispel Valley Friends of the Library.

Didn't sign up in time for free materials? No problem! List of materials is below, just bring with you. (Cost is about 10.00)

Didn't have time to buy the materials or sign up? No problem! Just show up and see how it is done so you can do it later at home.

Please register by calling or emailing the Master Gardeners at 509-447-2401 or email at beverly.sarles@wsu.edu to be the first 15.

Worm materials:

Were you too late to get the worm bin materials for free?
