## Limited Return to in-person 4-H

**Any in-person 4-H activity or event must receive approval from WSU ahead of time.**

If your club would like to hold an in-person event, please contact [Melanie](#) and begin completing an [in-person request form](#). There is a sample approved form on the [News and Events page](#). [Melanie](#) is happy to help your club fill out the necessary request form.

Right now we are approving requests that have 2 certified volunteers and up to 15 youth. Everyone present will need an approved enrollment in 4-H online. These guidelines will change as the county moves through phases.

## No Full County Fair—Summer Events

Everyone is disappointed there will not be a full county fair this summer.

The good news is that the Fairgrounds is reopening for smaller events. This means that 4-H clubs that practice there will be able to practice there, provided they have an approved in-person plan on file with WSU. This also means that events like Neon Riders horse show are still being planned.

We are working on planning a series of animal and still life shows at the fairgrounds over the same week as fair, and maybe even some the week before. So if you have a poster, photography, public presentations, or any other entry that would go in the 4-H barn, we are accepting them. Details are still being worked out, but we will have a barn to display them, judges to judge them, and official Clallam County Fair Ribbons to award. We are hoping to plan some animal shows for the same time frame again with official judges, Clallam County Fair ribbons, and possibly more.

## Enrollment Deadline—Extended

~~June 1~~ June 15 is the enrollment deadline to have an approved enrollment in [4-H online](#) in order to complete the 4-H year, and to qualify for scholarship year credit. The date has been extended as many families may be waiting to hear what 4-H events will happen this summer. Please make sure your enrollment is complete and approved. If you have problems with the new 4-H online please contact [Melanie](#). If you would like enrollment fee support please complete [this form](#) and mail or email it to [Melanie](#).

## 4-H Council Corner

### Open Positions: V.P & Secretary

You are invited to participate in your Clallam County 4-H Council. The Council meets on the second Tuesday of each month at 7:00 pm—email [Melanie](#) for a zoom link.

We can have one staff member plus up to 15 in-person participants. If more than 15 come, we will ask that some choose to voluntarily leave and attend via zoom instead. We will be out side of the commissioners' meeting room. Bring your own chair!

Teen members are encouraged to attend and have a voice in their county program.

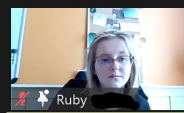

### Other Helpful Hints

Use the pronoun which a person asks you to use.

Introduce yourself with your pronouns.

If you don't know someone's pronouns, ask (politely). Don't just ask people you assume to be gender non-conforming.

When you make a mistake A.C.T. Apologize. Correct. Try Again.

On June 1, Ruby and Emma from the WA State 4-H Teen Equity and Inclusion Task Force presented a workshop on to the Clallam Resilience Project's monthly meeting on the importance of respecting people's preferred pronouns.

Both the 4-H Treasurer's Handbook and the 4-H Treasurer's Handbook Leader Guide have been updated. You can find the new versions on both the [Clallam Co 4-H website page of Leader's Resources](#) and the [WSU Publications webpage](#).
