

## Memorial Scholarship Fund

### Application

The Memorial Scholarship provides financial assistance to local gardeners who might not otherwise be able to afford the tuition for the WSU Clallam County intern training. This fund was founded in memory of Mary Flo Bruce, a Clallam County Master Gardener who shared her time, resources, expertise and, perhaps most importantly, her ardent belief in and commitment to providing sustainable gardening education to residents of Clallam County.

One scholarship per year will be awarded for the full amount of the local component of the Clallam County Master Gardener training tuition. The intern candidate is responsible for the fee charged by WSU for the on-line training segment. Upon completion of the training, the recipient will receive an additional gift of payment of their first year's membership in the Master Gardener Foundation. Scholarship funds will be paid to WSU Extension. Foundation dues will be paid directly to the Master Gardener Foundation of Clallam County.
