4-H Volunteer Time Worksheet

This worksheet is designed to assist the volunteer in tracking their 4-H volunteer hours. It is not an official document and does not need to be turned into the Extension office.

Official hour reporting should be entered online at <http://ext.wsu.edu/Volunteers/>. Information on how to log on to report your 4-H volunteer hours is available from the Extension office.

4-H volunteers are required to record their own 4-H volunteer hours. Volunteers who do not record their hours may have their claim questioned and not be covered by Washington State Labor & Industries if an injury occurs. **For accuracy and to guarantee that your information is entered, we strongly recommend that each leader enters his or her information online.**

Questions: Contact the Extension office at (509)-524-2685 or email wallawalla.4h@wsu.edu
