Wayne Stambaugh 4-H Gardening Award

This form is to be completed by the 4-H club leader and due to the Extension office **by the first business day in October.**

The Wayne Stambaugh 4-H Award will be given to a 4-H member who is nominated by his or her leader, enrolled in a plant science project, and who submits for county judging, a record book with a completed record of his or her horticultural project. Project work may include raising a crop, gardening, landscaping, container gardening, or lawn care.

This award recognizes the 4-H member's commitment towards:

1. Learning to respect plants for their beneficial effects on the environment.
2. Learning to appreciate plants as companions as well as for their decorative and income producing value.
3. Learning to identify site specific requirements of plants before planting.
4. Learning the different planting techniques before planting.
