WHAT WE DO AT CAMP Campers are placed into cabins with other campers of a similar age and at least one counselor and one CIT. Camp is themed, and every cabin has an individual theme as well. Everyone gets to go to eight different classes during the week. Classes include archery, canoeing, hiking, and more! Everyone can show off their acting skills during cabin skits on campfire night, and show off their dance moves at the themed camp dances. We eat a lot of good food, and there is time for swimming, kickball, and other activities. Camp can be one of the best experiences of being a kid – don’t miss out... it is A LOT of fun!

COST $200 for Campers and CITs. FREE for Counselors and Adult Volunteers. Check or cash only. Adult Volunteers get 1 child admitted free. Any family sending 3 or more children get $50 off of their total cost! *Scholarships also available.

REGISTRATION DETAILS This year we will be doing 4-H Camp Registration through 4HOnline. We know that this registration can be a little tricky, so we’ve created some short YouTube videos to help you navigate the 4-H Camp registration process. Access the videos on our YouTube channel here or search for “Benton-Franklin 4-H WSU.”

REGISTRATION AND PAYMENT DUE BY MAY 6TH

*We realize that we overlap with most of the area schools. This is unfortunate, however, these dates were reserved over 18 months ago, and we are locked in to that 2nd full week in June. Please understand that while it is not our intent for youth to have to choose between attending school and attending camp, we truly believe in the value of our outdoor experiential education throughout camp that focuses on life skills and accepting differences. This is an experience you will not get anywhere else.

If you have questions, aren’t sure about what to expect, never let your kid go to camp before, need more information about the hands-on classes and AMAZING experience, etc, etc, etc.. PLEASE do not hesitate to call the Camp Director, Dan Kinion at (509)302-8658 or the Pasco WSU Extension Office at (509)545-3511. We are steadily growing our 4-H Camp, and have had super successful camps in recent years!
