

# LET'S GET CRAFTY!

Tuesday July 14<sup>th</sup> at 1:00pm – 2:00pm

During this summer activity hour, we will be homemade air-dry clay. Instructions will be given over zoom. We will also have time for creating fun clay projects! Some may finish during this time but not all depending on what you create. These clay projects will need to dry over night. Clay projects will be able to be displayed during the Thursday activity hour.

Supplies needed:

- 1 cup baking soda
- ¼ cup cornstarch
- ¾ cup water
- Stovetop
- Measuring cups
- Small pot
- Spoon
- Bowl
- Plastic wrap
- Cookie cutters or something similar (optional)
- Rolling pin (optional)
- Paint and paint brush (optional)

Reminder:  
Ingredients listed are to make one batch of clay. You may want to double it.

Thursday July 16<sup>th</sup> at 1:00pm – 2:00pm

During this activity hour we will be painting with rubbing alcohol and sharpies. Instruction will be given over zoom. This craft hour will be a fun way to connect and interact while getting crafty. Crafts will also get to be shown off during this session!

Supplies needed:

- Sharpies (various colors that you like; having 2-4 is recommend but more can be used)
- 91% rubbing alcohol
- Paint brush or small dropper or straw or q-tips or small travel sized spray bottle (it is recommended to have more than one to see what works best for you)
- Blank ceramic tile(s) or canvas(es)
- UV Resistant Clear Acrylic Coating (if using tile or tiles)
- Paper towels or paper plate (optional this is just to have under the tile or canvas to help protect your table surface)
- Small dish or cup (easier access for rubbing alcohol)
