Is this your first time here?

You may now use your Google or your Microsoft account to create an account at this site and subsequently log in. If you do not have either of those, then please use the regular email-based procedure through clicking on the "Create new account" button below.

Another alternative is an [Account Creation Form](#) provided by our fee-based storefront site which does not require email validation. Upon creating an account there, you will find a link to bring you back to Campus, where you will be automatically logged in. Subsequent logins, though are done directly on this page at campus.extension.org.

If you have any problems or questions about creating your account, see the [Campus Help Page](#).

Create new account

Log in using your account on:

Google

Microsoft

3. Complete settings up your new account, once completed eXtension will send a link to your email for verification. **Please keep your Username and Password for future use.**
4. You will need to enter an enrollment key to continue. The key is **WHITMAN** make sure all letters are capital.
