media, paper fliers, events, newsletters, visits to the farm, etc.)?

Position	Name	Experience	
mits, Licenses	and Certifications		
all current permits	s, licenses and certifications, a	as well as those that the business intends to obtain this ye	ar.
ditional Inform	nation		

Product & Price List

Product	Sell-by Unit	Wholesale Price	Retail Price
Ex: Strawberries	Half flat	\$13	\$18

FINANCIAL STATEMENT TEMPLATES

Budget

Instructions:

Use this Budget template to predict your income and expenses by each quarter of the year, in order to plan when major expenses will take place, when you will start making sales, and in order to plan your cash inflow and outflow.

*Note that in making your budget for the year, you should take into account your ending cash balance from the previous year, as well as any loan payments, the depreciation on any assets and estimated tax liability. These are more complex considerations that you can discuss with your accountant.

Profit & Loss Statement (Annual Income & Expense)

Instructions:

You can complete a Profit & Loss Statement at any point throughout the year, and it will always express your income and expenses **over a period of time.** Complete this P&L on December 31st, and it should match the totals from your Actuals. This will give you a snapshot of your income and expenses for the entire year.

Start Date: January 1st End Date: December 31st

cart Date. January 1	Liid Date: December 31

Balance Sheet

Instructions:

The Balance Sheet is a snapshot of your business at **one point in time.** It expresses everything you own and owe, and the "net worth" of your business. It is good to complete a Balance Sheet on the first and last day of every year, in order to show how the economic activity over a given period of time impacts your net worth.

	Beginning Balance (January 1st)	Ending Balance (December 31st)
ASSETS		
Current Assets		
Farm Bank Account
