SUMMARY OF PROGRESS

Project—

Boys and girls club work:-

A trip was made to O'Briens, King County with the cashier of the Poulsbo Bank to look at a bunch of pigs for boys club. Stock was in very poor condition and price too high for us.

Project—

Dairy:-

We are still proceeding with the work of bringing more and better cows into the county. Find such stock to buy at anything near a reasonable price. Have placed an advertisement in one of the papers for such stock. Cows that are anywhere near a good shipping point are being bought up very readily, the only requirement asked is, will they freshen soon, by Jan 15th or before?

Project---

SUMMARY OF PROGRESS

Project—

Crop Pests and Diseases:— and  
Some time was given to the preparation of the making out of a schedule for a series of meetings to be held for Mr. Scheffer on the mole eradication work, Dec. 3 to 8.

Project—

Farm Management Work:—  
Some articles on the importance of keeping ~~some~~ Farm records were assembled and given to the papers of the County to start a sort of campaign on this work and Mr. Miller of that Department has promised to give us some help in starting the work next week.

Project—

Farm Crops and Soils:—  
A visit was made to a patch of potatoes in which hill selection was to be practiced in the saving of seed for the next year. The digging in the field, the sorting, and the storage was followed and an effort will be made to keep track of this during the winter and to have it planted in good shape another season for a demonstration in the selection of seed potatoes.

SUMMARY OF PROGRESS

Project—

Farm Management:-

Some time was given this week in advertising the Farm Accounts work, preparatory to Mr. Miller's coming here the last of the next week. Articles were given to the papers and circular letters mailed out to about thirty farmers, who might likely be interested in taking up the work.

Project—

Animal Husbandry:-

A trip was made to the Pacific International Live Stock Show held at Portland, Oregon, to get a line on some better Bires and better hogs for some of the Farmers in the County, and to meet and talk with the different breeders that were showing there. The Show was a very creditable one and worthy of much commendation towards the furthering of the Live Stock Industry of our Northwest.
