Attendees: Justine W., Clair P., Robin N., Lydia W., Bridget Rohner

The meeting was called to order and a recap of fair: Reflect on judge and she gave great feedback to the kids, would like to see her arrive a little earlier. A request to be added to our contract the judges arrive 30 minutes prior to show, motion made by Justine, 2nd by Clair. One concern was the fitting showing was not as the pattern had shown and there were some accommodations because of the mud.

There was discussion about Round Robin: and to be have some consistency across the board, as well as if not Grand is awarded no one will represent that species. Justine will take concerns to the fair board.

Trail class was great! Everyone liked the fact that they could walk through the course. We do need a new bridge, Clair nominated her husband to build. Went Well!!

Treasures report will be reported on the next meeting and any changes of offices will be done at the next meeting in November. Currently Geri is moving and will no longer be the treasure, Bridget will fill in until next election meeting (November).

4H Forms will now be online, and leaders will accept members via internet.

***Horse ID forms will still be paper format, and will need to go directly to the head leader, then they will be submitted to Karen then to Janet.

Next meeting October 5th @7pm
