

# STEM NIGHT

## When

**October 25th, 2022**

**4pm-6pm**

## Where

**WSU Adams Co. Extension Office**

**205 W Main Ave, Ritzville, WA**

**Ocean Robot Test Tank** is an activity where youth learn how to “ballast” their ocean robot by adding weights to replicate the sinking and floating behavior of a real ocean robot. They will investigate data collected by ocean robots and learn about the value of ocean exploration. **Ocean Expedition** is a board game where youth navigate their ocean robot around the world while learning key ocean concepts. Topics include aquaculture, climate change, innovation, human impact and the ocean ecosystem. And **Ocean Communicator** is an activity in which young people investigate challenges that ocean scientists, engineers and technologists are currently exploring. They design and advocate for innovations and technical solutions that inspire public action.

**Ages 8+**

**FREE EVENT**
