

WSU Spokane County 4-H Large Animal Committee Policy

1. Spokane County 4-H youth must be enrolled in 4-H, dues paid, registered under a large animal 4-H club and in a specific livestock animal species project to be able to exhibit their animal.
2. Spokane County 4-H strongly encourages the completion of the annual YQCA certification for 4-H youth exhibiting food product animals (cattle beef/dairy, sheep, swine, and/or goat meat/dairy). 4-H youth can complete either the “instructor-led” training or the “online” certifications. YQCA Certification must be completed prior to the exhibitor entry deadline. Discretion will be up to the 4-H Large Animal Committee and 4-H staff.
3. Oct. 1 2020 YQCA will be a requirement for a youth to exhibit a food product animal in Spokane County 4-H.

Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office. Reasonable accommodations will be made for persons with disabilities and special needs who participate in 4-H events and programs. Contact Kate McCloskey at the Spokane 4-H Extension Office at 222 N. Havana, Spokane, (509-477-2165; kmccloskey@spokanecounty.org) at least two weeks prior to the event.
