4-H Horse Mentorship Contract

The Policy: Mentorship Horse: *An Intermediate or Senior who wishes to mentor one member may share participation of their certified horse with the mentor member(mentee). The mentored member would certify the shared horse using the certificate date and lease as date of possession and depending on the date of certification—per the 90 day rule the horse could be designated either as an activity or project horse. The mentored member may not compete in the same age group as the mentor. They must complete a mentor contract and submit it with their horse certificate. A mentored member cannot qualify for state fair participation. Must also submit a horse certificate for each horse and rider combinations.*
