Join us for a day in the saddle with local horsewomen, positive mentor and friend to 4-H--Britt Morrison & Erin Gleave. Our goal is to help youth and their horses prepare for the horse shows season through two different equine disciplines.

We are excited to see your child in the saddle. COVID has affected everyone in different ways and we need to be sensitive of this as we start in-person activities in 2021. Our goal is to plan a safe event for youth riders and volunteers. *Mask and distancing will be required. Mounted youth can lower their mask while riding and distant.

Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office. Reasonable accommodations will be made for persons with disabilities and special needs who participate in 4-H events and programs. Contact Kate McCloskey at the Spokane 4-H Extension Office at 222 N. Havana, Spokane, (509-477-2165; kmccloskey@spokanecounty.org) at least two weeks prior to the event.
