

# Happy Trails 4-H Horse Camp

## Supply List

### Human

- 6-7 changes of clothes—think layers
- 2 pair of riding boots
- 1 pair of rubber boots or shoes
- Other shoes (no open toes)
- Helmet (adjusted to a tight fit, forehead skin should move when helmet does)
- Sleeping bag, pillow, extra blanket, warm sleep wear.
- Drinks: water, sports drinks, limited pop
- Food:
  - Potluck dish
  - Snacks (Thursday-Tuesday)
  - 5 Lunches (plan to potluck one lunch to help feed clinicians)
  - Ice cream topping
- Camp stove (fire extinguisher required)
- Cooler with lots of ice!! (blocks are best)
- 2 Lawn chairs for each person (for dinner barn and personal camp)
- Silverware, plates, napkins, cups for all meals including breakfast and dinner.
- Sunscreen and Chapstick
- Mosquito repellent
- Rain gear
- Warm Jacket
- First Aid kit
- Canopy for shade or rain
- Squirt Guns

### Horse

- 6+ days of normal food routine
  - Hay
  - Grain/Supplements
- Salt Block
- Water bucket (15 gallon tote is best—you won't be refilling so often!)
- Halter (preferably a rope halter) with long lead rope
- Well fitting saddle
- Saddle pad—2 if you have them
- Bridle with throat latch and non-chain chin strap (the normal one you use)
- Snaffle bit—recommended for teaching
- 2 sets of reins - Loop reins (at least 7 ft) and split reins
- Brushes, hoof pick, etc.
- Fly Mask
- Fly Spray
- Hay bag or tote
- Manure fork to clean stall
- Wheelbarrow or muck bucket
- Hoses (put your name on them!)
- Hoses shut off valve (put your name on them!)
- Waterproof Horse blanket (if your horse uses one—remember, Rain Gear!)
- Tarps to cover hay and tack
- Horse First-Aid kit: Bute, Banamine, Benadryl, vet wrap, electrolytes etc
- Saddle bags/horn bags/water bottle holder
