

Please Note:

It is recommended that you NOT order bees or purchase any beekeeping equipment prior to your February all-day classroom session.

Part of the class session includes discussion about the different types of bees and equipment available for beekeeping.

This beekeeping course intends to have 80% of the instruction be held outside during the Field Days. Bee suits are required by the end of April 2024 for the first Field Day.

Plan on investing approximately \$600 for a bee suit, necessary tools and equipment for one beehive.

Class Format

The 2024 Apprentice Beekeeping Class will be in-person at WSU Spokane County Extension, 222 N Havana St. in Spokane, Washington. Due to classroom space limitations, only those registered may attend.

Class Materials Provided

Students will receive their class materials in the classroom.

- Apprentice Beekeeping Syllabus
- The Bee Book - reference manual for apprentice level beekeepers
- Washington Master Beekeeping materials for apprentice certification

Refund & Cancellation Policy

Registration is complete when your form and your payment have been received. When full payment has been received, you will be emailed a confirmation. All cancellations must be in writing (email is acceptable):

- Cancellations requested 45 days prior to the first class date will receive a full refund, minus a \$15 administration fee.
- Cancellations requested 44-10 days prior to first class date will receive a 50% refund.
- Cancellations 9 days or less before the class, receive No Refunds.
- - "No-Shows" will not receive a refund.

May 25, 2024
June 15, 2024

Field Day times will be 10am until noon.

Persons with disabilities who require alternative means for communication or program information or reasonable accommodation need to contact Spokane County Extension at 222 N Havana, Spokane, WA 99202; (509) 477-2160 at least two weeks prior to the beginning of class.

Extension programs and policies are consistent with federal and state laws and regulations on nondiscrimination regarding race, sex, religion, age, color, creed, national or ethnic origin; physical, mental, or sensory disability; marital status, sexual orientation, or status as a Vietnam-era or disabled veteran. Evidence of noncompliance may be reported through your local Extension office.

Topics Covered

The Honey Bee & Her Products
Beekeeping Equipment
Making a Start in Beekeeping
Life in the Honey Bee Colony
Spring Management
Swarming
Summer Management
Diseases & Pests

Class sessions will be taught by experienced Inland Empire Beekeepers Association members and special invited instructors.

This class is:

- open to anyone interested in becoming a beekeeper,
- required to keep bees in the City of Spokane, and
- review and affirmation for those already involved in the art and science of beekeeping.
