

Garden Spotlight Crystal Springs Rhododendron Garden

Established in 1950, the Crystal Springs Rhododendron Garden is located on seven acres on the west side of SE 28th Avenue between Eastmoreland Golf Course and Reed College.

The garden holds Portland's largest collection of flowering rhododendrons and azaleas, more than 2,500 cultivars.

Companion plantings, trails, streams and a large spring-fed lake enhance the woodland setting.

The grounds are open daily year round from dawn to dusk. During the spring and summer, a \$3.00 admission fee is charged Thursday through Monday.

Peak blooming season is early April through the end of May. For more information, call the garden at 503-771-8386, or visit the [Crystal Springs Rhododendron Garden](#) web page.
