Mechanical Cultivation
Field Days, 2019

Join WSU and OSU Extension for an exciting workshop on mechanical cultivation for vegetable weed management.

Workshops will be offered in [Puyallup, WA](https://www.wsu.edu/~puyallup) and [Aurora, OR](https://www.osu.edu/~northwillamette). The event will include an array of demonstrations and speakers with contributions from local farmers, equipment representatives, and Extension specialists.

PROGRAM FEATURES:

- Seed and seedling-focused strategies for weed management
- Live demos of tractor-sized and walk-behind cultivation equipment with Kult-Kress, Sutton Ag, Tilmor, Johnny's, BCS, Carts & Tools
- Belly- and rear-mounted setups w/ finger weeders, basket weeders, steerable toolbars, knives, cutaway disks, and more
- Local farmer panel sharing their cultivation experience
- Catered lunch
- Opportunity for networking
- Official agenda coming soon!

FOR MORE INFORMATION:
