Welcome to 4-H!

This is your record book 😊 You may write, draw pictures, paste in photographs, magazine pictures or clipart, use stickers, or any other creative way to show what you have done. If needed, you may also have someone write for you but it must be in your own words. Please use pencil or erasable ink. Have fun with this record book and make it special for you!

What is a Record Book?

It's a journal! 4-H members use record books to set plans and project goals, keep track of 4-H activities, share challenges, successes, and the all fun that happens along the way. Your record book will be full of memories made by you for you!

Who is this for?

This record book is for Cloverbud members (ages 5 to 7).

Cloverbud members may use Level 1 instead of this book, and have the option to start their Level 1 Permanent Record.
