Good afternoon,

Good communication is like a well-oiled wheel. Let's stay in touch! Please contact me with questions, concerns, ideas and notices. Just as important, always read through what you receive. We try to keep everyone on this update list informed of all happenings within our 4-H community and sometimes beyond.

Good luck to our State 4-H contestants and to our Adams County Fair 4-H exhibitors! See you at the fair!

Livestock Committee Meeting Date Change

Reminder: the next Livestock Committee Meeting has been changed to **Tuesday September 22, 2015.**

WSU Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local WSU Extension office.

Reference to commercial product(s), commercial entities, or trade names does not imply endorsement by WSU or bias against those not mentioned.

No endorsement of partners' products or services is granted or implied by 4-H.

RSVP ASAP for the 4-H Club Kick Off!

Come join the Grant/Adams County 4-H crew and your fellow club leaders to celebrate the start of the new 4-H year!

The “4-H Club Kick Off” is a WSU 4-H regional training being offered in Grant, Adams, and Lincoln counties during the month of October. This interactive meeting is designed specifically for 4-H volunteers with management roles within a 4-H club (i.e. general leaders, project leaders, activity leaders, etc.). By attending this training, leaders will not only have the opportunity to network with other 4-H club leaders and 4-H staff, but will gain resources and tips on managing quality 4-H clubs. This year's Kick Off topics will include **Club Finances, Annual Club Reporting, Taxes and 4HOnline Enrollment**.

Remember, this will be the first year for ALL 4-H leaders and members to utilize the new WA State 4-H Online Enrollment system. We are still working out the procedures to introduce and train 4-H leaders and households on how to access and use the system. By attending the Kick Off 4-H leaders will gain a better understanding of their roles and responsibilities in managing and using the enrollment system.

Grant/Adams County is offering two “Kick Off” sessions you can choose from:

- ➔ Monday, October 5th, 6-8pm at Time Out Pizza in Othello (Grant/Adams 4-H Council Meeting will follow)
- ➔ Monday, November 2nd, 6-8pm in Moses Lake (exact location TBA).

It is required that each 4-H club has at least one volunteer representative present (more are welcome!). Teen leaders are also invited to attend. Please discuss with the 4-H leaders in your club who will be attending the Club Kick Off on behalf of your club.

Please RSVP: <http://wsu4hkickoff.bpt.me>

If your 4-H club is unable to send a leader to one of the above scheduled Kick Off times, two other sessions will be scheduled shortly in Lincoln/Adams counties. Stay tuned for more details.

We look forward to kicking off the new 4-H year with you!

Attention all Volunteers! *(Returning and New)*

WSU Extension remains committed in its efforts to prevent the abuse and exploitation of children and vulnerable adults. In our continuing efforts to assure a safe environment for all program participants, Washington State University Extension requires child protection training for all faculty, staff, and volunteers working with youth and vulnerable adults.

If you are planning to re-enroll as a 4-H volunteer for the 2015-2016 year beginning October 1st, you must view the Put the Child First online training before your re-enrollment will be processed.

Attached is a list of individuals who we have on file as having completed the Put the Child First Training. If your name is not on this list, you will need to complete the training before your re-enrollment will be processed.

This 20-minute presentation may be viewed at any time at your home or Extension office computer by appointment. Your registration for the training will be kept in the system as proof of your participation. We appreciate your compliance with this requirement. For more information or questions, contact Jeannie or Lauren at the Grant/Adams Extension Office.
