Message from Jeannie:

Happy Fair Season!

As I am still wrapping up the Grant County Fair, Adam's County Fair is beginning! As with any large endeavor, help is needed and tremendously appreciated. If you can volunteer to help with judging educational displays on Tuesday, September 9, please show up at the 4-H Still Life Exhibit Bldg. between the hours of 12:00 pm and 9:00 pm. I want to wish all of our Adam's County Exhibitors the Best of Luck.

To those 4-H members and parents who helped with the balloons at the Washington State Mounted Shooting Championships last weekend, a very sincere THANK YOU from the Western Washington Mounted Shooters and myself! I would venture to say that we had a great time and were entertained by the event while working it!

An e-mail came across my desk this morning that I would like to share. It's a Michigan State University Extension article about livestock judging. It puts it all in to perspective and addresses the life skills that are acquired through this competition. <http://www.dairyherd.com/e-newsletters/dairy-daily/Animal-judging--Whats-it-all-about-273074021.html>

Good Luck to our Washington State Fair contestants! Our state fair in Puyallup runs September 5-21.

As Always,

WSU Extension Program Coordinator

Dutch Oven Cook Off Contest

On September 11th at 5:00 pm the Adams County Fair and the American Chuck Wagon Association will sponsor a youth cook off. There will be four chuck wagons and each will offer one youth, aged nine to eighteen years, the opportunity to prepare a Dutch oven dessert for entry in the cook off. Each entrant will work under the guidance of an experienced cook but should have basic knowledge of Dutch oven cooking.

Contestants will provide their own recipes and ingredients except for the fruit, which will be provided by the Fair Association. The desserts will be judged and monetary prizes will be awarded to each cook. The remainder of the desserts will be sold to the public to defray the costs of the contest.

If you are interested in entering the Dutch oven cook off, contact Roger Schell, Adams County Fair Association at 488-9519.

Get Ready to Have a BLAST — Rockets to the Rescue

Design, build and test a propulsion system and prototype Food Transportation Device (FTD) that can accurately deliver its food payload to a specific target.

When disasters strike, logistics can be a key challenge for emergency responders trying to deliver food aid and supplies to the people who need it most. Severe storms can flood roads, take out bridges, ports and runways, and make even normal transportation options practically impossible.

As an aspiring aerospace engineer, your challenge is to come up with an aerospace design idea for solving this problem.

A 4-H National Youth Science Day Experiment is being scheduled in our area this October. Watch the Friday Update for the time and place we will be launching.

Thank You Balloon Setters!

Area youth did a great job as balloon setters at the Washington State Mounted Shooting Championships held at the Moses Lake Rodeo Arena this past weekend.

Pictured is some of the crew who ran balloons to poles in the arena between contestant's runs.

Thanks Again & Good Job keeping fresh balloons inflated and ready!

4-H Companion Animal Photo and Video Contest

The Companion Animal Community of Practice is pleased to announce 4-H photo and video contest. These contests provide a venue for 4-H members across the nation to express their love of companion animals and demonstrate their photography and video skills.

Contest is open to all 4-H and non-4-H youth ages 8-18 years of age as of January 1, 2014.

Entry must have been completed **after** October 1, 2013 and by the submission deadline of **November 4, 2014**.

Prizes will be awarded.
