Treasurer's report: Same as last meeting. Loan has been repaid.

Fairboard: Commissioners have not renewed the fairboard's contract, not sure what is going to happen. Our judge's contract will remain the same for 2011. There will be an advisory board of 7 appointed. There still is a facilities committee who decides who gets what barn during fair. Scott and Randy were supposed to be on that committee, but have not been notified of meetings, so haven't been going. Lisa will talk to Mary about the committee. Vern is the manager of the fairgrounds, Peggy is running the fair/office. Lisa will contact the commissioners about setting up a meeting with all three of them to discuss any plans they have for sale committee. Craig, Barb, Leroy, Lori, Lindsey & Mike will go to the meeting. Sid recommended to have 2 people do the talking and ask questions, and to record the meeting on tape.

Lisa will write the letter for Craig to submit to be on the advisory committee.

Species Reports: Beef, swine and goats are still looking for judges.

Exhibitor guide changes:

Lori already gave goat department changes to Laura Cobb.

Sheep – aged ewe class needs to be removed.

Beef and dairy need breeding class dates rolled.

No changes to swine.

Lisa made the sheep changes, Sandy did beef and dairy.

Next meeting March 10, 2011 at 7 pm.

Meeting adjourned.

Respectfully submitted,

Lisa Barth
Secretary
