**Old Business:**

Deb asked about gift certificates for the reserve showmanship winners rather than plaques. She will also make certificates to go with them. Lori &/or Barb will talk to Ranch & Home to see what we can get there.

Craig asked superintendent if they had gone through their barns and talked to Vern about what needed to be done

**Extension:**

The Q fever investigation has continued. Sarah has spoken with the field vet, we should not have any goats at the fair who have kidded in the last 30 days or are due to kid soon. The same time applies to sheep. Sarah strongly suggests no one takes any market animals home for breeding stock.

We may have a meeting in August, Lisa will notify the committee if we do.

Farm Credit will donate water for the sale. Sarah will put a notice in the newsletter asking clubs to volunteer to serve.

Mike moved to adjourn, Doug seconded. Passed.

Respectfully submitted,

Lisa Barth, Secretary
