

# 4-H / FFA Ephrata-Soap Lake YOUTH AG BOOSTERS

The 4-H and FFA Youth of the Ephrata and Soap Lake area are once again requesting your support of the Grant County Fair Livestock Sale. Your donation to the Ephrata Youth Ag Boosters club helps ensure a fair price for each animal. Donations are made to The Ephrata-Soap Lake Youth Ag Booster Club to form a pool of funds to help purchase animals.

*Please note: For a donation of \$500 or more, an animal will be purchased in the name of the business or individual making the donation. We hope this approach will insure the larger donors receiving the recognition they rightly deserve.*

If you would like to personally attend the sale and bid on an animal from an Ephrata or Soap Lake Youth, the auction is Friday, August 17, 2018, during the Grant County Fair. The Dairy Heifer and Livestock Sale begins at 9:30 am in the Ardell Pavillion. The Fur and Feather Sale immediate follows the Livestock Sale.
