Grant COUNTY 4-H YOUTH DEVELOPMENT 4-H FUNDRAISING GUIDE & APPROVAL PROCESS

Who Can Raise Funds in 4-H?

Fundraising is conducted to help raise money for chartered 4-H club, program, and group (groups include 4-H councils or committees) treasuries. Family 4-H groups, other non-chartered entities, or clubs/groups without an EIN number are not eligible to use the 4-H Name and Emblem to fundraise. Clubs/groups occasionally sponsor fundraising as needed to meet the educational goals and needs of the club.

Purpose of 4-H Fundraisers

Fundraisers, broadly defined, are selling useable, useful or edible products or services usually in exchange for money. For several reasons, 4-H clubs/groups are asked not to get involved in too many fundraisers. 4-H club, committee, area council and county council funds help defer costs associated with 4-H educational trips, programs, opportunities, scholarships, club needs, community service projects, and are used to support recognition of 4-H members and leaders. Money derived from 4-H fundraising activities must be used to strengthen and enhance the educational mission of 4-H. Understanding financial goals and deciding how a club should spend its funds is part of the 4-H educational experience. Use discretion and common sense when deciding how to raise and use the funds. 4-H clubs must determine their goals prior to engaging in fundraising activities. Funds for program enhancements may be accepted from donors on a local, county, district, and/or state basis, provided the support is offered without restrictive criteria and is consistent with the purposes of the 4-H Youth Development Program. Restrictive criteria include use of mandatory products, trade names, breed association requirements, etc. In connection with 4-H fundraising purposes, the following disclaimer statement must be used on products or services offered for sale: "A portion of the sales price of this product or service will be used to promote 4-H educational programs. No endorsement of the product or service by 4-H is implied or intended." NOTE: To ensure the safety of youth, please do not allow 4-H'ers to do fundraisers alone.

Approval Process for 4-H Fundraisers

Please fill out and send the attached completed 4-H Fundraising Request form for the Extension Office within 5 days of the fundraising decision and prior to any initiating of any fundraising activity. If you do not get a response from the Extension Office within 5 working days of submitting the form, please follow up with the 4-H Program Coordinator/Assistant. Failure to submit this form may result in your club/group losing its privilege to handle funds. If 4-H clubs/groups are interested in conducting a raffle, or any other games of chance, you must contact the extension office for more information. The WA State 4-H Policy requires all 4-H club/group fundraisers to have prior approval by their local 4-H County Extension Office. We hope the attached Request Form will help you meet this requirement!

Additionally, WA State 4-H Policy requires careful record keeping for all fundraisers, from recording the decision to hold the fundraiser in the meeting minutes, to properly documenting all related expenses and funds received. Properly accounting for fundraisers is part of the annual financial reports each club/group turns in to the Extension Office at the end of the 4-H year. Your general club leader and/or council/committee treasurer should be familiar with the process as outlined in current WA State 4-H Policy, 4-H Treasurer's Book, and 4-H Leader's Guide to Handling Funds.

Kiehn, Jeannie. (2017). Washington State University 4-H. Adapted from University of California Cooperative Extension "4-H Treasurers Manual." Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.
