Happy First Day of Summer!

CONGRATULATIONS TO THE KEN ARDELL SCHOLARSHIP RECIPIENTS:

Post Graduates: Tanner Wallace, Quincy; Camryn Hawes, MLCA; Alison Freel, Moses Lake; Kendra Baldwin, Moses Lake.

Summer always seems to go by fast and there is still lots of preparation to do before fairs. All **club secretary books** need to be turned in and reviewed for fair eligibility. Below is a list of clubs that have not yet turned their secretary books in. Please review that list and if your club is listed, please turn your book in ASAP! Thank you to those who have turned their secretary books in. Kudos to Ghost Gamers and Wilson Creek Livestock for being the first two turned in!

Reminders: YQCA is mandatory for all market livestock for both Grant County and Othello Community fairs. The deadline for becoming YQCA certified is July 15th. Also, ShoWorks is open for fair entries and will close July 10 for livestock entries, both large and small. Dog, Horse and Pocket Pet entries deadline is Aug. 1st and Still Life entries deadline is Aug. 5th. Check the [Grant County Fairgrounds website](#) for more details.

I will be out of the office June 27 through July 12 for annual leave and Citizenship Washington Focus and 4-H/Microsoft Tech Changemaker Training at the National 4-H Conference Center

in Chevy Chase, MD. I ask that you please be patient with my reply time to emails and phone messages, as I will be in meetings most of the time.

Have a great week!

2019 Ken Ardell Scholarship Recipients

Congratulations Ken Ardell Scholarship Recipients!

Pictured are – Darren Saum, Ephrata H.S.; Kendra Baldwin, WSU student; Nicole Hellewell, Moses Lake H.S. and Carl Hart, Moses Lake H.S.

Not pictured: Sarah Wilson, Matthew Jones, Maquire Isaak, Tanner Wallace, Camryn Hawes, and Alison Freel.

The Ken Ardell Foundation awards ten scholarships each year in the amount of \$1,500 each to six high school students and four college students in Grant and Adams Counties. This year we received seventeen applications. We have a committee of ten reviewers and it is always a difficult choice as to who the scholarships will be awarded to. Thank you to each student who applied and remember that this scholarship can be applied for until you are graduating from your post-secondary education.

Club Secretary Books Due to Extension Office

Club secretary books were due to the Extension office for review on June 15th. This is a requirement for fair participation. Thank you very much to the clubs that have turned their books in. We will be reviewing them next week and you should be able to pick them up on June 28th or later.

Those clubs still needing to turn in their secretary books are:

Help Our Fairgrounds Get Ready For Fair!

Does your club or group need volunteer hours? Would you like to help out at the fairgrounds in preparation for fair? Each year the 4-H community volunteers to help prepare the fairgrounds for the upcoming fair. There is always a lot to do and this is a wonderful opportunity for you to show support of our fair and to obtain community service hours if needed. Jim McKiernan, Grant County Fair Manager, says there are several projects geared towards 4-H clubs that need to be done to prepare the grounds for our August Fair. The largest project at this time is adding dirt to stalls in barns 44 and 45, but there are also several other things that need to be painted and cleaned. Please contact Jim at jcmckiernan@gantcountywa.gov or stop by the fair office to ask how you can help. Thank you!

Goat Barn at the Grant County Fair

Due to a projected large number of entries, please house goat tack outside the barn. No tack is to be kept inside the barn.

Be a Buckle Sponsor!

Buckle Sponsorships are available for Fair Awards. Buckles are awarded to Grand Champions and Reserve Grand Champions at the Grant County Fair Awards Ceremony on Saturday, August 19th, in the 4-H Building. Are you interested in sponsoring buckles for 4-H or FFA youth fair awards? If so, please contact Gerry Wilson at wilsongerry5@gmail.com or 509-750-6775. [Download Buckle Sponsorship Form.](#)

Booster Clubs Preparing for Grant County Fair Livestock Sale

Youth participating in market livestock projects for fair sell their animals through the Grant County Livestock Sale on Friday of fair week. Many of the Grant County communities have Livestock Sale Booster Clubs to support both 4-H and FFA youth during this sale. Buyers showing support during the sale are businesses, family, organizations, booster clubs and many other entities. For those who cannot personally attend the sale to support youth, you can donate to the booster clubs. Your donation to a livestock booster club helps insure a fair price for youth selling livestock.

Grant County Fair — Pre-Tagging For Pigs is Required

Again this year, the Grant County Fair 4-H/FFA Livestock Sale Committee is requiring all 4-H clubs and FFA chapters to tag their pigs for the Grant County Fair prior to arriving at the fair. Club leaders and advisors should tag pigs with the designated tags at the farm so the pigs arrive at the fair with tags in the pigs' ears. Do not bring the pigs to the Extension office or the Fairgrounds.

Swine leaders or FFA advisors may pick-up fair tags for individuals in their club/chapter between now and August 2nd at the WSU Extension Office in Moses Lake or by other arrangements with Sarah Smith, smithsm@wsu.edu, 509.754.2011, Ext 4363.

YQCA Certification Required

4-H members that plan to exhibit ANY market animal at the Grant County Fair or the Othello Fair must be current with their YQCA Certification. **Grant County** youth are required to be certified in Youth for the Quality Care of Livestock by **July 1, 2019**. 4-H and FFA exhibitors not currently certified in YQCA will not be eligible to sell through the Livestock Market Sale. National Youth Summits

The National Youth Summit Series brings together some of the best and brightest students to focus on STEM, agriscience, healthy living, and photography. Designed for high school students (grades 9 – 12), the Summits provide opportunities to learn technical skills, participate in hands-on activities, workshops, and engage with nationally-recognized leaders.

Students typically attend in groups comprised of two to eight youth and are accompanied by an adult mentor/chaperone. School year 2019-2020 will be our seventh year of programs and the results have been amazing! In school year 2015-2016 our surveys show up to a 47% increase in the number of students who felt after attending a Summit they were more aware of areas of study they could pursue in college relating to their Summit subject matter. The National Youth Summit Series aims to teach lessons students can use for the betterment of their personal lives and communities.

[Registration for all four Summits will open on Sunday, June 23, 2019.](#)
