Extension 4-H:

Kick off trainings went well- several leaders were at the Oct. 2nd meeting. More meetings coming soon and some will be in other counties.

4hOnline enrollments- until leaders do kick-offs, no members can enroll in that club and leaders need to send in their list of what they offer for projects.

4-H 101- will have one at the end of October in Moses Lake- some leaders haven't "finished" put the child first and will need to complete that soon.

WSU resources online- there are some minor changes, PDFs are set to \$0.00- then it will email a link to download it. There is a shipping issue right now but they are working on getting that error fixed.

Old Business:

Othello Still Life superintendent is needed. Will need someone for next year.

Secretary and Record books sill need picked up- if not picked up soon will be thrown away.

Othello Fair recap: horse gaming went smooth. Swine scale possibly off- Laura said it is accurate based on the incident that happened at the Othello fair with one of her kids- the carcass weighed right where it should have for being overweight on the scale. Laura also mentioned with that issue that happened that the 4-H policies do not coincide with the livestock rules and clarification needs to be made. It was suggested that the issue be taken up with the Othello livestock committee.

New treasurer needed for leaders council. Jeannie thinks that the position will not be as extensive as it has in the past. We will proceed with finding a volunteer without incentive as mentioned at previous meeting.

National 4-H week is this week- what will clubs be up to? A couple clubs are putting stuff in the grant county journal, Quincy Post Register and article on Jeannie in Pay Dirt. Incentive will be new flags and 4-H pledge posters sent to clubs who do something in the month of October.

Open Enrollment- free ropes course during 4-H week in Leavenworth at 9 am on Saturday for anyone wanting to go.

New Business:

Leadership Camp for club officer committee for next year- Laura will head this up, Sue said she would help come up with some plans as well.

Forum and Teen Rally- and KYG

Scholarship money is available- kids will come to a meeting and request money reimbursement.

Super Saturday is set for Feb. 22nd- different ideas: officer training, Vet talk, mobile ropes course, photography mounting, leadership class, sewing class, any other ideas contact Jeannie.

Dog and Poultry meeting this week- leaders come to meetings at least two times before fair. Leaders come together to find out what is expected in each barn.

KYG starts in November for senior 4-H members.

Next meeting will be on Dec. 2nd, at 7 pm at WSU Ext. Office

Leadership Camp Ideas:

Dates haven't been set just yet but we are in the process.

Laura's Ideas:

Kids must RSVP in advance.

ONLY club leaders can come to the leadership class this time around. The reason behind that is to make sure that we aren't babysitting a bunch of kids all day.

Need at least 5 leader volunteers to help head this up, who will then lead the officer positions below.

Start the day all together as a group with an introduction then split up all officers into groups.

- President
- V President
- Secretary
- Treasurer
- Reporter

With each group the leader of the group goes over what those positions are in charge of.

Come back together for a ROUND ROBIN make shift meeting- see if we can get the game from the lady who was in charge of the leadership class at Forum 2 years ago- or come up with our own.

There are some great little mock meetings on youtube so we can set up a projector and go over a few of the videos at the beginning of the class as well.

Sue Dillman contacted a few places such as Arbys, Burger King, and subway. We can find out more information from her if she is at the meeting.
