Happy New Year!

2020 – the year of perfect vision – as I was reminded by our Leader’s Council President the other day! Leaders and parents, what is your vision for your 4-H members? Members, what is your vision for this 4-H year? WSU Extension 4-H Youth Development Program’s 4-H Vision: “To help develop young people into productive citizens who are engaged in positive change, meeting the needs of a diverse and changing society”. 4-H is about learning, doing, caring and having fun, as we strive “To Make the Best Better”! Thank you all who are part of the 4-H program!

A “BIG 4-H THANK YOU” to all the club general leaders that have worked to complete their club ‘end of year’ reporting paperwork. There is still some paperwork from specific clubs missing. If you are one of the clubs with missing paperwork, I will contact you via email soon.

Thank you to all the youth and volunteers that accomplished their re-enrollment for the new 4-H program year. We still have work to do to accomplish 100 % of our re-enrollment goal. Club Leaders, please be sure you’re monitoring your club membership in the 4hOnline system; volunteers or youth holding a PENDING or INACTIVE status are NOT enrolled or active with the 4-H program until enrollment fees are paid, general leaders have “confirmed” membership with their club and the Extension office has “accepted” the enrollment. Here is a summary of the terms used in 4hOnline to help better understand member status:

PENDING STATUS: you have re-enrolled in the system but we are waiting for your \$25 enrollment fee per member (\$50 after January 1) or confirmation from you general club leader. Adult volunteers do not pay an enrollment fee, but still need to be confirmed by the general club leader.

INACTIVE STATUS: you have not re-enrolled/updated your family profile in the system and have not paid the member enrollment fee.

ACTIVE STATUS: needs to be accomplished BEFORE participating in any club or 4-H sponsored events/ activities. We prefer general club leaders accept enrollment fee payments to bring to the Extension office. Checks are to be made payable to: WSU.

NOTE: Open enrollment for BRAND NEW 4-H members will continue throughout the program year, but those enrolling after May 1 are not eligible to participate at fair. If you are having difficulty with the 4hOnline enrollment process, please contact the office at 509-754-2011 ext. 4309 or 4313; we are here to help.

Have a great week!
