### DONATE TO 4-H AND HELP CHANGE LIVES!

4-H is the largest youth development and empowerment organization in our nation, yet thousands of young people do not have the opportunity to experience 4-H. Without positive intervention, too often young people are not prepared for life after school, develop unhealthy lifestyles and experience a loss of hope. 4-H is the answer.

As America's Cooperative Extension System celebrates its 100th anniversary, 4-H is committed to reaching new and underserved audiences for the next century – starting today.

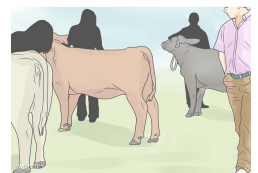

2014 4-H Youth in Action award recipient Andres Parra exemplifies the life-changing impact of 4-H. Before 4-H, Andres was living a dangerous and unhealthy life, but his engagement with the EAT4-Health program influenced dramatic changes in his life. Andres became healthier and now regularly helps others as an ambassador for healthy living in his community. Andres says, "4-H changed my life." He is leading young people, attending college and on a path of success.

Far too many young people do not have access to 4-H. Your support will help us grow 4-H and change lives.

Every dollar of support helps us provide another young person with the 4-H experience. Invest in developing confident, capable youth and changing the world by making a gift to 4-H today. Make a secure donation on our website. Thank you for your support! To donate, visit the 4-H National Council website at [http://n4h.convio.net/site/MessageViewer?dlv\\_id=26002&em\\_id=19243.0](http://n4h.convio.net/site/MessageViewer?dlv_id=26002&em_id=19243.0).

### COMPETITION: HOW DO YOU HANDLE IT?

Competition itself is neither good nor bad. It's how it's handled. Adults have a tremendous impact on how competition affects youth. Here's a way to check if you're on the right track.

- When a child finishes a competition do you ask: *What did you learn? Did you enjoy yourself? Did you meet any interesting people? Did you do your best? Instead of - Who won? What did you get?*
- Do you have fun during competition yourself? Do you model it for children?
- Do you keep competition fun by providing success and rewards for everyone, not just the "winner"?
- When you choose a competitive activity, do you consider the age and developmental level of the participants? Does the activity have realistic goals?
- Is the emphasis of the competition on skill development and personal growth rather than winning or losing?
- Do you realize the tremendous impact one adult's attitude can have on a child?

If your answer is YES to most of these questions, then you are making competition a healthy, enjoyable part of your children's learning.

– Adapted from an article by Mary K. Deen, Youth Developmental Specialist, WSU Extension

**DEL'S PAPER CLOVER CAMPAIGN**

Thanks to all of your hard work, the Spring Paper Clover promotion was another record breaker. The promotion raised \$787,700 - the most money in Paper Clover history!

We would like your help to make Paper Clover even better. Please take five minutes of your time to [complete this survey](#) and you will be entered to win a \$250 prize!

You will be receiving your individual state and county results shortly. Please be sure to thank your community and your local TSC store associates for their unwavering support of 4-H!

**PROJECT NEWS****RECORD BOOKS -- WORTH THE EFFORT**

Parents, have you seen your 4-H member's record book lately? Have you encouraged your 4-H'er to write about important events in his/her 4-H diary? Have you cross-referenced your 4-H member's calendar with your family calendar? These are all ways you, as parents, can support your 4-H member in learning to keep good records. It's good training for adult life, income taxes, family health records, etc.

Record books are designed to help the 4-H member record important dates (meetings, vaccinations of 4-H project animals and county events), expenditures (animal feed, cost of fabric vs. ready-to-wear, etc.) and achievements/failures (not just prizes won but lessons "learned by doing"),

Encourage your 4-H member to record his/her learning experiences by taking snapshots throughout the 4-H year (not just at fairs, of prizes won, but at home while cooking, sewing or doing chores). These pictures will not only illustrate the record book but be something to cherish for years to come.

**4-H EQUINE TRAINING SCHOOL**

Yakima County 4-H Equine Training school will be held June 26-29 at State Fair Park, Yakima Fairgrounds.

There will be English/Hunt classes, Western classes, Horseless Horse class, Green Horse, free ride time with instructors, BBQ dinner, silent auction, tack sale and much more!

The completed entry form with entry fee must be turned into your club leader for review and must be signed by your club leader. Entries are due June 23.

This year there will be a free BBQ put on by the West Side Church Local Ministry on Saturday night after the judging tour around 7:00 PM with camp fire and music.

For more information visit the Yakima County 4-H website <http://ext100.wsu.edu/yakima/4-h/4-h-events/>. Kim Lansing 539-0247, [ms.berly@yahoo.com](mailto:ms.berly@yahoo.com), Chris Kelley 452-9877, Nea Welch-Timmons 594-9799.

**2015 AMERICAN DAIRY GOAT ASSOCIATION CONVENTION**

The 2015 American Dairy Goat Association convention will be held in Boise, Idaho in October 2015. This is a very educational event with lots of high-quality and unique offerings for goat project youth. It might be a good goal for the clubs to start fundraising efforts now, so their club can participate in at least some offerings of this week-long event. Updates will be posted on <http://tvdga.weebly.com>.

- Susan Kerr, Mount Vernon, WSU

**4-H FOOD ACTIVITIES**

The 4-H Food Activities Project needs chairperson, volunteers, judges, and a place to host this event. These activities are not only a great way for 4-H'ers to demonstrate knowledge and skills they have learned, but also the way to select the participants for the Washington State 4-H Fair in September. Please contact the Extension office if you are interested in helping or would like more information.

**FAIR NEWS****FARM/SHOW ANIMAL HANDLING TOPICS**

The intensity of 'Fair-Season' is here and along with the usual fair-frenzy, we often get roped/cornered into organizing a 'petting zoo'. Dale Moore our Extension Veterinarian has forwarded along to me a resource list of farm animal handling materials that you may find useful. I have attached two particular checklists for volunteer use which I think are especially helpful in preparing youth for fairs and shows as well as petting zoo management.

One of the best overall sites for farm safety for children is: <http://www.fs4jk.org/>.

See also, "Keeping Farm Children Safe" <http://www.extension.umn.edu/distribution/youthdevelopment/DA6188.html>

Some topics covered include

- [Leading/grooming animals](#)
- [Calf pens or hutches \(cleaning\)](#)
- [Feeding of silages or corn \(to cattle\)](#)
- [Catching & holding a pig](#)
- [Feeding hay to cows \(square bales\)](#)
- [Feeding hay to horses \(square bales\)](#)
- [Milking cows \(using a pipeline\)](#)
- [Working with large animals \(horses, cattle, etc.\)](#)
- [Working with poultry](#)
- [Feeding milk to calves](#)

### YAKIMA VALLEY FAIR & RODEO, GRANDVIEW FAIR LAMB SHEARING

Lamb shearing for the Yakima Valley Fair and Rodeo will be held at the Grandview Fairgrounds on July 12, 9:00 AM. Cost is \$10.00 per lamb. Please contact Jill Nettleton 854-2299 to schedule your appointment. The Yakima Valley Fair & Rodeo is held August 6-9 at Country Fair Park in Grandview.

### YAKIMA VALLEY FAIR & RODEO, "Flock to the Fair"

The 2014 Yakima Valley Fair & Rodeo will be held August 6-9 at Country Fair Park in Grandview. The premium book is available at the Extension office or on-line at [www.yvfair-rodeo.org](http://www.yvfair-rodeo.org). Check the premium book early for animal entry deadlines and requirements for showing.

### BIOSECURITY FOR FAIRS/EXHIBITS

With the fair season in full planning mode, and biosecurity for our fair exhibitors and fair goers a priority, here is a reminder that we have a set of materials on biosecurity, including a condensed version of the checklist, on Veterinary Medicine Extension website: <http://extension.wsu.edu/vetextension/4h/Pages/default.aspx>. It's a wide variety of resources to support your educational efforts

#### Top Five Disease Prevention Recommendations

- Segregation – Prevent contact of your livestock with other animals
- Restrict use of feed, equipment, and trailers to your animals and disinfect after use.
- What happens at the fair stays at the fair. This includes equipment (unless cleaned and disinfected), feed and bedding.
- Notify a veterinarian immediately if an animal becomes sick.
- Isolate animals returning home for 30 days.

These biosecurity practices are a good idea no matter what disease might be of concern. The goals are to keep every animal healthy and to safeguard the Washington livestock industry.

Any 4-H youth may participate in the event. 4-H'ers must participate to qualify for the 2014 Washington 4-H Dairy Judging team that competes at the National 4-H Dairy Judging contest held in Madison, Wisconsin, September 27-October 1. **4-H LEADERS' FORUM**

The 2014 Washington State 4-H Leaders' Forum is just around the corner. "We are the Heart of WA 4-H" will be this year's theme in Wenatchee, October 17-19.

4-H Forum brings together 4-H leaders, adult volunteers, youth and staff from around the state for 3 days of education, leadership training, project support and networking. This is also the time we discuss and vote on the proposed changes to the 4-H program through the Council process on Sunday on Forum.

4-H is evolving and the volunteers need to evolve with it. A strong 4-H program is only as strong as its volunteers. The Forum is a great way to strengthen and invigorate our volunteers.

If you have any questions or would like an Advisory Board member to come and talk with your County Council, here is a link to the current board members [www.4h.wsu.edu/volntr/sab/sablist.html](http://www.4h.wsu.edu/volntr/sab/sablist.html).
