INSTRUCTIONS—For Complete Instructions, Please See Record Book Guideline

Use it for all the things you do in 4-H this year. Separate each section with a tab. Each Project series should also have a tab. Keep the project commitment/record, project journal, project highlights, and financial summary for each project together.

Use your records to look back on our progress during the year. This will be helpful when you make plans for next year.

Before you turn your record book in, write your 4-H story.

The record book is your personal work. Keep it current as the year progresses. Do your own work.

HOW TO USE THE RECORD BOOK

Your record book is your working plan and record of your 4-H year.
