On March 23, 2012, Governor Christine Gregoire signed SHB 2299 creating the 4-H Special Design License Plate. Sales began on January 2, 2013. $28 of each license plate purchase or renewal goes to Washington State 4-H, and is tax-deductible!

Fees collected by sale of 4-H special plates will be directed to support 4-H programs throughout Washington State.

Initial costs are required to be paid in advance of license plate creation. The Washington State 4-H Foundation is supporting the cost of creating the 4-H Special License Plate.

4-H Special License Plate costs are as follows:

New Plate
$40 plus standard licensing fees.

Plate Renewal
$30 plus standard licensing fees.

Personalized license plates are now permitted on most special plate designs.
Your purchase of 4-H Special Plates supports 4-H Youth Development in Washington State!

SHOW YOUR 4-H PRIDE!

4-H Special License Plates are hitting the road at last!

Join the increasing number of motorists rolling out the green for 4-H youth development!
