DON'T FORGET YOUR ANNUAL FINANCIAL SUMMARIES, these documents are due December 1 or before. Annual Club Plans are due February 1.

BEGINNING THE 4-H YEAR

Share The Leadership Load – When you share the leadership with your officers you share the responsibility, involve members in a more meaningful way, and give them "up front" experience. Often times adults feel they need to "run things" to keep meetings going smoother and faster. Members react to adult-run clubs, often by

disruptive behavior, dropping out, or a general lack of enthusiasm. If you are experiencing some of these signals, here are some tips to build the club back to "member-owned".

- ☑ Select an adult in your club to be officer liaison.
- ☑ Have a special officer retreat. Get to know these kids and let them see you as behind-the-scenes-help. Explain, show, role model, rehearse the expectations for their office.
- ☑ Meet regularly and ahead of time with the officers. Allow them to build the agenda for each meeting. Your job is to provide them with the tools to succeed at their job prior to the meeting.
- ☑ Involve officers in mapping out a program plan for the year. Club or Group Planning Book (CO227) is a useful tool for this.
- ☑ Together, go through a check sheet "Points To Look For In A Good Meeting". This exercise is explained in the Mostly Meeting section of the 4-H Club Leaders Handbook.

4-H ENROLLMENT YEAR 2019-2020

As of January 1, 2020 the enrollment process will be changed. Please try to be enrolled by that time.

4-H will continue using the 4-H online enrollment process. Each family is responsible for enrolling their family members. Each year the youth members and adult volunteers need to re-enroll.

A **valid email** is critical to the re-enrolling family's ability to log-in successfully.

Some key things to remember are:

- ✿ Make sure all names and addresses are complete and correct. Please double check email addresses for accuracy since the 4-H Focus, and other **4-H information will be sent out by email.**
- ✿ Make sure the members date of birth is accurate, this will determine the division they are to exhibit in.
- ✿ If you are paying by credit card, click the orange button and add your credit card information, this needs to be done for each youth member you are enrolling. I know that part is frustrating, they are working on it. Each youth members pay \$25.00, volunteers don't pay the fee.
- ✿ Club annual financial summary records for the past project year are due **DECEMBER 1.**

If you have any questions, please call the Extension Office at 574-1600, or email Callie Jane at yakima.4h@wsu.edu. Annual financial and club forms are available for download at our county 4-H website <https://extension.wsu.edu/yakima/4-h/4-h-forms/4-h-financial-forms-and-irs-filing-information/>.

4-H YOUTH MEMBERSHIP FEE

The youth membership fee is due at the time enrollment is done through the 4-H online system. The fee is \$25.00 per youth member. Volunteers do not need to pay the fee.

You have the option to pay by credit card, send in a check, or **request the fee to be paid through sponsorship.**

The system is open now so don't forget to go online and register!

FAIR / SHOW NEWS

Noah Brandon has been a member of the Dog Gone K-9's 4-H club for four years, enrolled in the dog project with his dog Blue, a Bernese Mountain Dog. Each year that Noah has been in 4-H, he has qualified to participate in the 4-H State Fair in Puyallup. Each year he has participated in the State Fair, Noah has earned a blue ribbon in both showmanship and the obedience class he

is competing in and has won a Merit Award and been invited back to participate in Champions Day. This year Noah trained two dogs, Blue in Advanced Novice and Slater, a Saluki, in Sub-Novice Obedience. Noah qualified to take both dogs to the State Fair and again won blue ribbons in showmanship and both his obedience classes as well as Merit Awards in both obedience classes. Merit awards go to the highest scores in showmanship and obedience classes. On September 22 he returned to the state fair for Champions Day again, this time with two dogs. Noah was awarded Grand Champion in Advanced Novice Obedience with Blue on Champions Day and Reserve Champion in Sub-Novice obedience with Slater. This is an amazing accomplishment. Noah has worked hard training his dogs. Each dog has a very different personality and responds differently to training techniques. THE SEWING & STITCHERY EXPO

is a WSU owned and managed event, heading into its 36th year at the Washington State Fairgrounds in Puyallup. The 2020 show is Thursday, **February 27**-Sunday, March 1. We know that sewing is a fundamental and important skill, and we want to make sure that kids in 4-H and other youth organizations have access to it. We have a 4-H Fashion Show on Saturday, **February 29**, organized by Laura Mendoza, and we would love to increase our involvement with 4-H youth and leaders statewide. We will have sewing areas for the two charities

we support, with on-site help from sewing teachers and representation from the charities. We encourage kids and families to stop by on Sunday, **March 1**, to try their hand at a few stitches or even complete a whole project. We will also offer kids-focused classes on Sunday, with youth skill-building in mind. <https://sewexpo.com/>
