### BOKS CELEBRATES 10 YEARS OF GETTING KIDS ACTIVE

What is BOKS? BOKS is a physical activity program designed to reverse the sedentary lifestyle that has become the norm due to our highly-digital society by getting kids active and establishing a lifelong commitment to health and fitness. Built on the science and research documented in the book *Spark: The Revolutionary New Science of Exercise and the Brain*, BOKS provides free physical activity curricula, training, and support to communities looking to establish and maintain impactful fitness and nutrition programs serving the whole child. Having grown from a single elementary school to a global initiative, BOKS is scalable, and its impact is supported by scientific research. BOKS envisions a world in which movement is a foundational part of every child's day.

Who can use BOKS? Anyone and everyone! BOKS is designed to be a turnkey program that anyone can use. BOKS trainers and program providers are Educators and School Staff, Counselors and Site Coordinators, Parents and other adults who are committed to getting kids active!

Where? (Where can the BOKS program run?) Anywhere kids are – playgrounds, school yards, school gyms, classrooms, during recess, at home... be creative and use whatever space you have – large or small. We have activities that can be customized for your unique situation and we offer you lots of ideas to help modify and meet your needs.

When? Anytime – before, during or after school. We also have fun holiday and summer resources to help keep kids active year round.

How? By enrolling in BOKS you'll gain access to our Trainer Hub which provides everything you need to implement BOKS. You'll find training, curricula and other resources. We have lots of printable resources and videos to support you. Pick the BOKS experience that is right for you.

Cost? 100% Free. Through a generous donation from Reebok, you can access all BOKS has to offer for free. More information visit the website and to enroll: <https://www.bokskids.org/>

You can make it one of your 4-H projects. <https://4-h.org/parents/curriculum/steps-to-healthy-teen/>. If anyone enrolls in this program, we would love to hear your success and challenges.

### CODING AND ELECTRONICS PROJECTS

Yakima County has been invited by a volunteer in Mason County to learn 4-H coding and electronics projects virtually. If you are interested in participating, contact Jenny, [Jennifer.Loyd@co.yakima.wa.us](mailto:Jennifer.Loyd@co.yakima.wa.us), 509-574-1584.

The volunteer in Mason County is Mr. Geary and his contact email is [cgb491999@gmail.com](mailto:cgb491999@gmail.com).

We will form a list of interested youth from Yakima County and send an email when we have the virtual zooms scheduled. Coding and electronics will meet separately, so let us know if you are interested in one topic...or both.

### DOWNLOAD THE 4-H INSPIRE KIDS TO DO ACTIVITY GUIDE

We took our favorite user-generated ideas and activities and created a 4-H Inspire Kids to Do Activity Guide with 60 educational activities to help your child learn through hands-on doing. Download now and receive kid-friendly activities in STEM, healthy living, crafting and much more.

### SAVE THE DATE! 28TH ANNUAL SPRINGTIME YOUTH CALF SALE ON MARCH 20, 2021

Mark your calendars for the 28th annual Springtime Youth Calf Sale date of **March 20, 2021** to be held at the Evergreen State Fairgrounds, Monroe, WA. We are making plans to move forward as January is the time we start making calf sale selections. As we look ahead, we would like to hear from you if you are interested in purchasing a dairy heifer project for 2021 as well as those who would be interested in the \$500 calf grants. It will give us a better idea of how to make the sale happen and what it might look like in 2021.

Please contact sale chairman, Liz Holtcamp at [syccs4h@gmail.com](mailto:syccs4h@gmail.com). For more information about the Springtime Youth Calf Sale please go to this link: <https://extension.wsu.edu/4h/dairy-endowment-fund/program-activities/springtime-youth-calf-sale/>. You may also find us on Facebook at Springtime Youth Calf Sale.

### FASHION REVUE EVENT

"Hollywood", here they come! The Virtual Yakima County 4-H Fashion Show took place on Friday, November 13. The theme this year was "Hollywood", so participants shared their favorite films and sewed and modeled items connected to "Hollywood". Participants in this year's Fashion Show this year included:

- Rachel Scott, of America's Future 4-H, sewed a black long hooded cape with a red lining. Rachel added a unicorn accessory pin and looked the part of a graceful actress from a mystery movie. When Rachel isn't sewing, studying or raising animals, she can be found busy at equestrian vaulting, which is doing gymnastics and dancing on a moving horse.

- Claire Sheehan, of Green Valley 4-H Club is ready for the red carpet. Claire was inspired by Disney's Sleeping Beauty and sewed the elegant Princess Aurora gown from the film; the pink dress looked perfectly royal and had an added a triangular belt accessory to create the complete Princess Aurora ensemble.
- Annelise Sheehan, also of Green Valley 4-H Club, who sewed an adorable but useful, multi patterned coordinated, floral purple tote bag with multiple pockets. Her bag is perfect for adventures, road trips... perhaps to Hollywood someday, and for school ventures.
- Mackee Partlow, of Naches Valley 4-H, modeled a black dress, black flats, and many added accessories to give her outfit the chic "Hollywood" look.
- Macie Partlow, created the Western movie theme by modeling a stylish western outfit including jeans, plaid shirt, shoes with pink trim and to complete the ensemble. Macie she was accompanied by her bottle-fed sheep, Butch.
- Addison Blanchard modeling her skinny jeans, camouflage coat, short boots, and stocking cap was ready for creating the winter movie theme and ready for any role.

Youth learned many sewing skills from their challenging projects like working with the fabric's nap, topstitching, making handles and pockets, adding a hook and eye, interfacing, attaching zippers, and making tucks. Youth also learned about and had fun creating outfits to model and accessorizing for just the right look.

And these 4-H youth have other skills from playing the piano, helping on the farm, dance, and raising animals and a variety of hobbies like reading, riding bikes, and sports.

Youth participating received a JoAnn's gift card prize. YourFashion Revue medal is in the mail.

Everyone is looking forward to their next project and expressing their own personal style. All the 4-H youth rocked their "red carpet" on zoom!

## CLUB NEWS

### 2020-2021 4-H ONLINE ENROLLMENT

Please Remember to Re- enroll for the New 4-H Year. Washington State 4-H and Yakima County 4-H is now using the newer version of the enrollment system for 2020-2021. The new website for 4Honline 2.0 is <https://v2.4honline.com/>. If you are a volunteer, remember; there is no enrollment fee. Sponsorships may still be available for youth enrollment fees, please contact Bonnie or Jenny if you need a sponsorship, assistance or questions.

### ANNUAL FINANCIAL SUMMARIES

Financial Summaries were due **December 1**. This is a requirement for all clubs and councils. If your club has no funds or bank account, write "We do not

handle funds, or have a bank account", write "We do not have funds or a bank account". If your club has no property, write "We do not own property" on the Property Inventory Form. Sign the form and return to the Extension office. If your club has no funds, bank account, or property, you have the option to send an email with your club name, leader name and stating your club has no funds or property to [bonnie.abercrombie@co.yakima.wa.us](mailto:bonnie.abercrombie@co.yakima.wa.us).

Blank forms for this year were sent out. If you had Funds or a bank account last year, a copy of last year's form was also attached to the email.

If you have not completed your form, please contact Bonnie or Jenny.

Blank forms are available on the 4-H website <https://extension.wsu.edu/yakima/4-h/4-h-forms/4-h-financial-forms-and-irs-filing-information/>

### SHARE YOUR EVENTS WITH US

We would love to see what everyone is doing! If you would like to send us some pictures and a small write up for us to share to the Facebook page that would be great! It is always fun to see what everyone is doing these days. Just sent an email to Jenny [Jennifer.Loyd@co.yakima.wa.us](mailto:Jennifer.Loyd@co.yakima.wa.us) to get it on Facebook!

## KNOW YOUR GOVERNMENT WHAT IS KYG AND WHY DO WE HAVE IT?

Virtual February 12-13.

Know Your Government (KYG) is a civic education program with a four-year rotating topic: The Legislative System, The Judicial System, Elections and Party Platforms, and Politics and the Media. This year we will explore the topic of Politics and the Media. It is

important to remember though, that KYG is much more than learning about how the Legislative process works. In fact, one could argue that it is little about that.

KYG and 4-H are about learning the life skills our delegates will need to be responsible citizens and productive adults.

The conference is an opportunity for delegates to practice the skills they have learned, apply their knowledge to unknown situations and reflect on how they did.

## SCIENCE & NATURE ACTIVITIES FOR KIDS

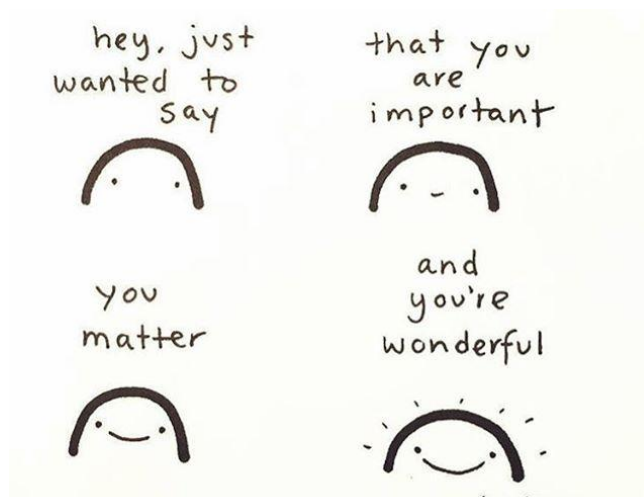

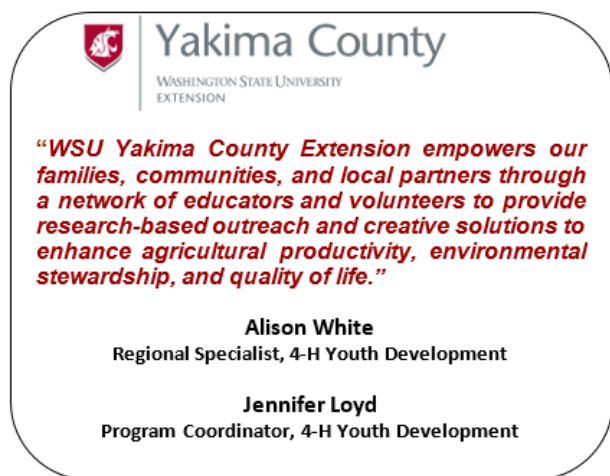

Whether you're a teacher who needs to share easy-to-implement content with your students, or you're a parent striving to best engage and educate your child at home, you'll find these materials relevant and fun! With engaging, self-paced slideshows, these activities can be self-guided for kids in grades 3-8, while K-2 learners will probably need an adult guide. Being in nature decreases stress and boosts creativity, so encourage kids to complete the outside portions as much as possible. To help students get the most out of the activities, we recommend you start with week one and complete the activities in order. But here are a few options for grouping if you have limited time.

- Life Cycles – Activities 2-4
- Backyard Birds – Activity 5 & 9
- Birds Around the World – Activity 1 & 8

### YAKIMA CO. MASTER GARDENERS

### Highly Pathogenetic Avian Influenza (HPAI) Info Available for Poultry Project Youth

Highly pathogenic avian influenza is very active right now around the globe. Outbreaks are presently occurring in North Korea, China, Netherlands, Sweden, Spain, Germany, Belgium, Italy, Iran, Poland, Norway, France, and Ukraine.

Wild waterfowl are one of the main ways the virus moves around. A major migratory flight path for wild waterfowl includes Washington State; many waterfowl species (swans, ducks, geese) overwinter in the state as well. These birds can carry the avian influenza virus and spread it to chickens, in which it is much more deadly. Please refresh your knowledge of the biosecurity practices recommended to keep your birds safe and take these actions every day! Here are some good resources:

<https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/animal-disease-information/avian/defend-the-flock-program/def-resources>

#### Washington State Veterinarian News: Batten Down the Hatches Against Avian Influenza

Outbreaks of highly pathogenic avian influenza are happening in several countries around the globe now. Please share this important info with 4-H members, commercial poultry owners, and any other stakeholders who would be affected by an outbreak in the U.S. We do NOT want this disease to get a foothold here! Thanks.

### **Plea for 4-H Horse Project Youth to Vaccinate for Equine Influenza**

Dr. Susan Kerr, WSDA Education and Outreach Coordinator

4-H horse project youth, your horse depends on YOU to keep him/her safe and healthy!

There were 33 confirmed cases of equine influenza in Washington State in 2020. There were an additional 29 suspected cases, and 25 more horses were exposed to the virus by infected horses. These cases were distributed throughout the state. Fortunately, none of these horses died, which is typical for this disease.

Part of influenza treatment involves strict rest, and some horses do not return to normal for six months! Can you imagine not being able to ride or exercise your sick horse for weeks or months? Horses infected with the influenza virus can develop secondary pneumonia, which can be much more serious and require antibiotic treatment.

If your horse is at risk of catching influenza from other horses, why not prevent this disease and all its complications by vaccinating him/her? The American Association of Equine Practitioners (AAEP) recommends horses at risk be vaccinated for influenza every six months.

Is your horse at risk of influenza? YES if he/she has contact with other horses "outside its bubble" at shows, trail rides, schooling, etc. Also YES if you keep your horse at a stable where other horses are coming and going and mixing with other horses. Even if your horse doesn't go anywhere, another horse can bring the virus to him/her.

If your horse stays at your home barn with a steady "bubble" of barn mates and doesn't have direct or indirect contact with other horses, he/she is at minimal risk of influenza.

A very good article with more details about equine influenza is available at <https://www.equinediseasecc.org/disease-information>. For more information about equine vaccinations, see the AAEP's recommendations at <https://aaep.org/horse-owners/owner-guidelines/owner-vaccination-guidelines> or speak with your veterinarian.

The foundation of animal welfare is preventing animal illness, pain, and suffering. Vaccinating against diseases of concern is a very simple and effective way to do this.

### **African Swine Fever (ASF) Info Available for Swine Project Youth**

African swine fever (ASF) is now active in North Korea, South Africa, Ukraine, Romania, Russia, Moldova, Hungary and Germany.

As every country is now separated by only a few hours of travel, please encourage swine project youth to learn about ASF, including its signs and how to prevent it. Here is a simple and quick animation to encourage youth to do their part, followed by a link to youth-friendly resources for additional info.
