Contest guidelines and rules with NEW for 2023 updates are linked in this article and are up for viewing on the Washington 4-H website. Additionally, the travel guidelines document and fillable registration forms specific to Junior, Intermediate and Senior contest registrations are linked below. Again as in 2022, the 2023 contest has NO Requirement for Qualifying, just come and participate.

This will be our second year hosting the Livestock Judging Contest at the Grant County Fairgrounds in Moses Lake, WA. The committee is looking forward to another successful contest year. In 2022 we had three senior teams that traveled to national 4-H contests representing the Evergreen state.

New for 2023:

- There will be a registration deadline this year for early registration. **June 9, 2023** – all registration materials signed by the county extension professional (specialist, educator, coordinator, administrative, etc.) will be due by end of day to qualify for early registration fees (\$15/team; \$5/individual). Late registrations will be accepted with a late fee charged (\$10/individual). All fees (check, credit or cash) will be collected the day of the contest.
- Teams and coaches will need to be prepared to identify the contests they would like to travel to by the end of the state contest. If the first place team has not determined that when asked then they will forfeit first choice and so on. So – coaches and parents PLEASE be prepared before you come to the contest to compete.
- There will be a new dress code (see guidelines appropriate dress). Key no hats, torn or ripped or frayed jeans, no shorts, and no t-shirts with graphics or written sentiments.

Registrations will need to be sent to Robert.kestell@wsu.edu and CC pskuber@wsu.edu by end of day June 9, 2023.

EXPLORE 4-H

Volunteers: YOUR TIME MATTERS TO US.

Every hour you spend supporting 4-H is a donation. All Certified 4-H Volunteers are required to report hours; reporting protects and supports you and the local program!

By reporting your hours you give Yakima County 4-H the numeric proof we need to show our funders and higher-officials that our programs are greatly valued and needed. In addition, reporting your hours makes you eligible for the Dept. of Labor and Industries medical aid program (this program allows an injured volunteer's medical expense to be paid by the Department of Labor and Industries), and allows you protection under the state of Washington tort claims law, RCW 4.92.060, for acts or omissions while performing, or in good faith purporting to perform, your official volunteer duties.

What qualifies as volunteer hours? Anything and everything you do for 4-H! Teaching, planning, prepping, shopping, helping at fair and other events, paperwork, training, driving, calling, mentoring, presenting, emailing, even reading this! If it's for 4-H, it counts! Email Katlyn at yakima.4h@wsu.edu or call at (509) 574-1574 if you need assistance.
