### Yakima County 4-H Volunteers Needed

Yakima county is always needing extra hands on deck! Afterall, 4-H wouldn't be what it is today, without all our leaders & volunteers. If you have an interest in starting up a club, encouraging the youth through skill development, or would just like to get more involved with the community - then this may be the perfect fit for you! Feel free to reach out to the Yakima County Extension office at 509-574-1600 or email us at [Yakima.4h@wsu.edu](mailto:Yakima.4h@wsu.edu) for more information on how to get started.

### More Teen Opportunities

There are many wonderful ways for teens, leaders, and clubs - to get engaged in state-wide 4-H events. Teens who are already advanced in their leadership skills, from club and county experiences, find opportunities to grow in leadership with their statewide friends. Visit the [state 4-H website](#) for more teen opportunities.
