

Audit Procedure

The financial reports of every group should be reviewed and audited on a yearly basis as sound fiscal management practice. It should be a simple but careful check of how well the treasurer and the group are handling money. The president and group leader will appoint an audit committee. Make it a practice to always audit the books when transferring responsibility from one person to another for the protection of all parties involved.

Complete this form at the end of September (the end of the 4-H year) and every time a treasurer changes. The purpose of an audit is to check procedures and accuracy of the accounts. It is not a check for fraud, however fraud will be reported if found. The financial records should be clear and easily understandable.

Audit Committee Procedure

Procedures for 4-H Club Audit Committee

- Check each month's reconciled bank statement and canceled checks. If the treasurer found differences during the month, ask what was done to make corrections. Verify that two authorized, unrelated 4-H members or adult volunteers signed all checks. Verify that the signer is not the same person as the person paid.
- Check the ledger entries and make sure that the entries are complete and up-to-date. Compare the ledger postings to checks, bills, receipts, and deposits. If there are missing items, or differences between receipts and payments and/or deposits, ask the treasurer to explain.
- Review all voided checks. If a voided check is not on file, verify that the check has not cleared the bank by examining the bank statement to make sure the voided check number is not listed.
- Total all money (cash and checks) received. Receipts must be written for all funds collected. Verify that receipts are in order by date and that all funds are listed on the ledgers.
- Total all deposits made to the bank account. The total should equal the total of all funds received as recorded in the ledgers, club monthly treasurer reports, and receipt book.
- Total all money spent. The total should equal the total of all expenses as recorded in the ledgers, club monthly treasurer reports, and check book. Verify that a written bill or receipt is on file for each expense. Verify that all expenses paid by cash are recorded in a petty cash ledger.
- Check the Current Balance. Verify that the treasurer's total balance at the beginning of the year, plus all funds received, minus all expenditures, equals the treasurer's total current balance for the year.
- Complete the questionnaire on the next page. *If any of your answers are NO, your 4-H group financial record keeping practices are not consistent with 4-H policy. Please attach a brief statement to this form indicating what corrective action will be taken.*
