

Douglas County 4-H Leaders Council

Zoom Special Meeting

9-16-20

Present: Julia Goodman, Deb Schneider, Polly Schneider, Bill Schneider and Michelle Lain.

Virtual Showcase: Stephanie made the decision to extend the deadline for entries to September 30th.

Record Books: The deadline for record books to be turned in is October 13th.

Awards: A date needs to be set and ideas on how to present it. More than likely we will be hosting it virtually. Thoughts were shared. The consensus was to table it and revisit it with more input from other leaders.

2020 – 2021 4-H Enrollment Fees: In anticipation for the need of assistance with enrollment fees, several ideas were discussed. No decisions were made. It was agreed that more Council members needed to be present to share ideas and to be able to make recommendations.

After discussing the above items, we all felt that we would like to set another meeting date with the hope of having additional Council members present to gain more ideas and have a quorum for voting. Michelle will contact other Council members and we will be notified of the date and time of the next meeting.

Respectfully submitted,

Polly Schneider
