INSTRUCTIONS

1. Use this record book and your Level 1 4-H Permanent Record for all the things you do in 4-H this year.
2. Use separate "Project Plan," "Project Diary," and "What I did in my 4-H project" forms for each of your projects.
3. Some projects have add sheets for special planning or recording (breeding records, milk records, garden plan).
4. Use your record to look at the progress you made during the year. This will be helpful when you make plans for next year.
5. When you complete your 4-H program for this year, write your 4-H story.
6. Keep only the most important materials in the memories part of your record. You may want to keep a scrapbook of ribbons, certificates, programs, and other materials.
7. The record book is your personal work. Keep it current all year. Do your own handwriting or typing.
8. Organize your records with tabs in a binder. A suggested order for doing this is:
 - Introduction
 - My 4-H Planning Calendar
 - Projects (separate tabs for each project)
 - Permanent Record
 - My 4-H Story
 - My 4-H Memories
 - Comment Page
9. Obtain the required signatures on the comment page.

Place a check (√) in the box after each event you attend
