

# LEGO MINDSTORMS EV3

Our LEGO Mindstorms EV3 is our most advanced LEGO Education Kit. This kit expands upon STEM and computer science concepts such as programming, documenting progress, and working with data sets. Programming is done by dragging and dropping icons into a command line in order to build complex algorithms. Our kit also includes computers with the LEGO Education software to complete this activity. Multiple kits are available for check-out.

### Kit Contents:

- LEGO Mindstorms EV3 Core Set
- Laptops and chargers (not pictured)
