

PAPER ROCKETS

Rockets to the Rescue! 4-H's 2014 National Youth Science Day Project gets students thinking about engineering principles and motivates scientific inquiry. This kit allows students to compete among each other to see who can build a rocket that hits the target accurately. Included in this kit are the materials needed to build rockets, a launcher, and rope targets to arrange as desired.

Kit Contents:

- Facilitator and Youth Guides
- Rocket Launcher Building Instructions
- Paper and stencils
- Pencils
- Markers
- Scissors
- Tape
- PVC pipes and connectors
- Empty beverage bottles
- Altitude Tracker
- Safety vest and glasses
- Rope targets (not pictured)
