

# COMPASS LEARNING CHALLENGES

Our Compass Learning Challenges kit allows participants to learn how to navigate using a compass. This kit includes two different courses that are easy to set up and encourage proper compass use. Large instructional compass allows for instruction of a small group on how to use a compass. There are two main activities. Beginner's Compass Game has participants following a series of directions to create a 6-letter code, with 90 different codes to create. Competitive Compass Game teaches participants to navigate using the pace and compass method, while allowing for competitive group play.

Age Level: 8+; 3<sup>rd</sup>-8<sup>th</sup> grade

Time: 2+ hours
