

Add S.T.E.M. to your club or group program

The following kits and curriculum are available for your club or group to check out for program enrichment. Limited staff support is available to help guide your instructor through the program. Please, contact your local 4-H Program Coordinator with plenty of lead time to ensure the curriculum or kits are available for your program. If there are kits you are looking for that are not offered here, let us know what your needs are and we will try to accommodate.
