3Doodler EDU

Get students thinking in 3D with 3Doodler Edu. These 3D Pens are the next step in the design process. They have additional control functions from our beginner set and are able to handle different types of filament materials.

This kit comes with 12 pens, instruction booklets, and plenty of plastic. These 3D printing pens heat to a higher temperature and uses .pla, .abs, and flex filament for different effects.

Age Level: 8+

Time: 1-2 hours. Time can be extended by doing multiple projects.

Applications: Spatial Understanding; 3D Printing; Planning; Building; Design

County Available: Pierce

Kit Contents:

- 12 3Doodler Pens
- Charging Cords
- 3 Types of Filament
- Doodle Boards
