

EXPLORERS OF THE DEEP

- Develop observational, critical thinking, problem solving, and communication skills.
- Learn STEM skills

This kit - Explorers of the Deep, focuses on ocean exploration—with robots! Ocean exploration helps scientists prepare for and adapt to changing ocean conditions. Many of these changes in ocean conditions are affecting the environment, such as melting glaciers, increasing ocean temperatures, declining fisheries and an increase in frequency and severity of storms. Since Earth is an ocean planet, these impacts affect humans and organisms all around the world, regardless of their proximity to the ocean. Recommended age 8+

Kit Contents:

- 1 Facilitator Guide/6 Youth Guides
- Mission Cards
- Ocean Communicator matching cards
- Ocean robot
- Ocean Expedition Game
 - Board
 - Games pieces
 - Game cards
 - Trivia cards
 - Instructions
