

## FISHING

- Builds confidence, motor skills and coordination
- Encourages an appreciation of nature.
- Teaches hand/eye coordination along with aiding cognitive development
- Teaches perseverance & patience

This kit encourages youth to be off their electronics and enjoy nature. It also helps teach survival skills, and helps youth learn to understand, appreciate, and respect nature through learning about freshwater/saltwater eco-systems that fish inhabit.

### Kit Contents:

- Fishing Poles
- Nets
- Various Hooks
- Tackle Box(es)

253-798-7160

Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office. Persons with disabilities who require alternative means for communication, program information or reasonable accommodation need to contact their local county WSU Extension Office at least two weeks prior to any event.
