Presentation Resource List

[Handbook For Small and Direct Marketing Farms \(Green Book\)](#): Produced by WSDA and great resource for agritourism farms just starting out for rules and regulations.

[Washington State Law's and RCW's on Agritourism](#): RCW's put together in one place by the The National Agricultural Law Center

[Municipal Research and Services Center of Washington \(MRSC\)](#): Great tools for economic research and development.

[WSU Regional Small Farms Agritourism Page](#): Page includes helpful links to agritourism toolkits, sign samples, and more.

[Practical Biosecurity Recommendations for Farm Tour Hosts](#) (WSU Publication): written for livestock producers (but also applicable to others) who would like to open their farms to the public for tours or educational workshops, yet reduce disease risks potentially associated with such visits.

[Eat Local First Food & Farm Finder Map](#): list your farm on this new statewide map.
