

Council Fundraiser Seed Money Application

Does your club or group have a great idea for raising money to support the efforts of 4-H Council? If you would like to pilot your idea there are funds available to help you. Successful applicants will be granted a one time set amount of seed money which must be returned to council with a portion of additional earnings. All money raised (outside of that portion the club may retain) will be used to support the 4-H Scholarships/Event Assistance Fund.
